

Tru-Test Data Link App For Android

Download session files from your Tru-Test device and email back to your office, for record keeping or to pass on to third party.

Tru-Test Data Link saves you time by removing the need to take your Tru-Test device to the office to extract data.

DOWNLOAD*

- Download FREE from the Google Play store. Scanning the QR below code will take you directly to the Tru-Test Data Link Google Play store page.

***IMPORTANT:** Before downloading the Tru-Test Data Link app you will need to make sure you have email set up on your Android phone. See your phone's manual or set up menu, or contact your phone provider for further instructions.

Send data back to the office from the yard!

Tru-Test Data Link is a free application for Android that enables you to use your Smartphone to easily download data stored on your Tru-Test *Bluetooth*® enabled EID readers or weigh scales.

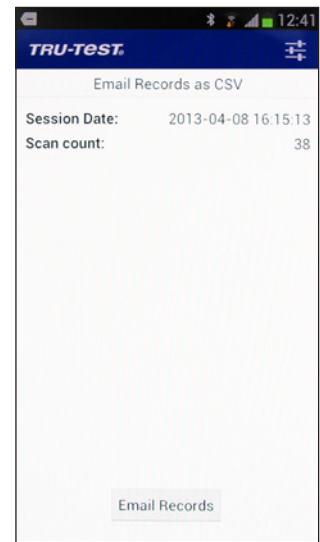

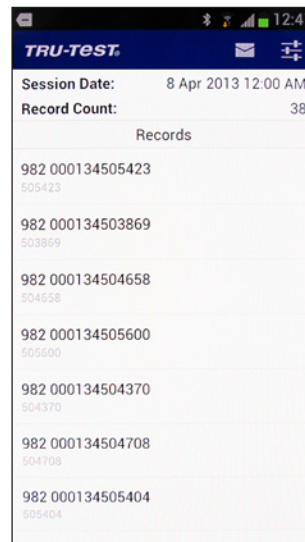

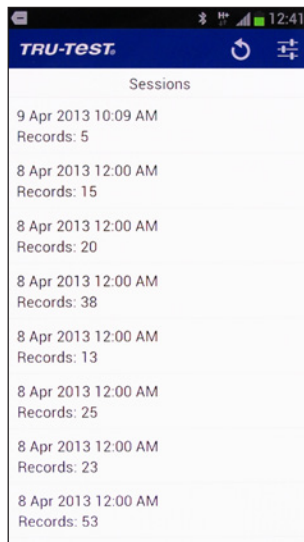

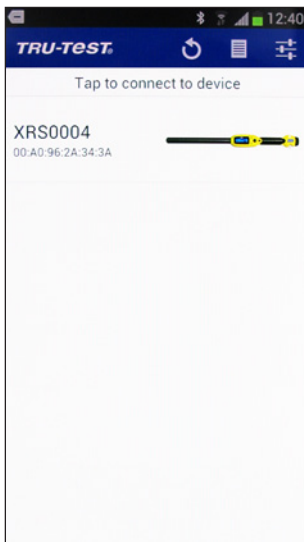

- ✓ **Select a session file to email back to the office or send to another recipient**
- ✓ **Open a session and review individual animal records on your phone**
- ✓ **If you're not in 3G or Wi-Fi coverage, your transaction will happen automatically the next time you are, no need to check**
- ✓ **GPS location of data download attached to emails (optional)**
