

WaterWell™ 2

WaterWell™ 4

Fresh water supply, all year.

The Tru-Test range of reliable and accurate weighing systems have been helping producers for over 30 years.

During that time, we've realized that focusing on making your everyday tasks as easy and effortless as possible, is just as important as our hi-tech livestock management systems.

Tru-Test Livestock Waterers are designed to deliver a fresh water supply for your livestock, all year round.

Animal health and performance is important to us, along with the best possible management of your valuable resources, like water.
